

International Forum

«Onshore & Offshore Oil and Gas Field Construction»

May 24-25, 2023
Holiday Inn Lesnaya, Moscow

The International Forum and Exhibition «Onshore & Offshore Oil and Gas Field Construction» is a specialized industry event in Russia and the CIS.

The purpose of the forum is to present and discuss modern principles and technologies for the development of onshore and offshore oil and gas fields.

The forum will provide you, as a sponsor, unique opportunities for finding partners, presenting your company, products, and services to the target audience, and will allow you to become a leader in the promising market.

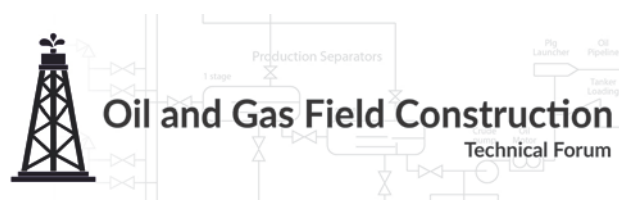

Participation as a sponsor will provide wide advertising coverage of your company as a major player in the market, as well as provide an opportunity to have a significant impact on the target audience. This will distinguish you from your competitors and allow you to better represent yourself in the market.

Call us now for more information. We are also ready to provide you with special opportunities if your company has special goals.

All Sponsors will receive

- Your company's logo displayed on one or more large banners during the event.
- 300 words description of your company featured on the Forum website.
- Sponsor ribbon will be affixed to the name badge of each company representative.
- Company logo on websites graintek.ru, and graintek.org three months prior and three months after the event.
- We recommend that you post the link www.forumneftergaz.org on your website.

Each sponsor level will receive additional benefits as listed in their respective sections.
